

SPECTRA INTERNATIONAL LTD.
INDIA

About us

Spectra International Ltd. is a global sourcing company from India, engaged in exporting various products and industrial commodities.

With the vision to expand in the field of exports of Quality Products & Services, Spectra International Limited was established in year 2010.

Our entire business operations are headed by, Mr. Nadir Dhrolia, Managing Director of SIL, who has an industry experience of over two decades and an in-depth knowledge of export market with specialization in the African market.

Along with rich industry experience, coupled with excellent business acumen he has enabled the company to attain consistent growth in its business domain.

Mr. Samir Dhrolia, CEO of SIL, jointly co-ordinating with Mr. Nadir Dhrolia for Exports to African Market, his expertise in finance, Indian market research and his unmatched knowledge in export arena have helped the company to stay right ahead in Exports.

Seeking guidance from the management, the highly motivated, experienced and efficient team constantly dedicates its efforts & performances towards customer satisfaction and company's success. Their team spirit & zeal towards their work brings excellent results to the company and creative solutions to our clients.

SIL is a Certified Star Export House from Government of India.

Company's prominent export zone being major chunk of African Market. Our products range caters to diversified fields of Household articles, FMCG, Confectioneries, Frozen food, Liquors, General Articles & Industrial commodities.

Along with export of diversified product range, SIL provides Global sourcing solutions for various industrial projects.
